# WEDNESDAY PROGRAMMES

## **Chess Club** with The Knight School. All grades. \$350

This is the perfect opportunity for kids to learn and improve their chess skills while having fun with their peers. Led by experienced chess instructors, our weekly sessions provide a structured environment for children to learn the game and practice different strategies. We believe that chess is not only a game but also a valuable tool for enhancing critical thinking, problem-solving, and decision-making abilities.

## **Home Economics** with Mrs. Abare & Ms. April. All grades. Cost: \$150

Home economics engages in sewing and textiles, meal planning and preparation, food safety, gardening and food preservation, etiquette, hospitality, and more. As this is a new club we will develop along the way in order to see what the students are interested in.

## **Puppetry & Storytelling** with Mr. Eric. Grade 3 and up. Cost: \$150

Here, kids will have the opportunity to learn about the art of puppetry and explore the endless possibilities of storytelling with puppets. We believe that puppetry is a fun and creative way for children to express themselves and develop their imagination.

# THURSDAY PROGRAMMES
